

Ruby-Collins, Inc. Privacy Policy

Clowder provides to us a Clowder branded software application that we use as part of our services. If you visit or use our Clowder branded application, Clowder may, on our behalf, collect and use information about you. Clowder only uses this information about you according to our instructions and direction. If you have questions about how we store or use your information, please visit our [privacy policy](#) and our [terms of use](#).
